Important Purchase of Imported and Red Hot Game The All the Scoring in the Domestic Dress Goods-

Being in close touch with eastern houses-that is reliable houses-we heard of this lot of dress goods, and if we could take them all we could have them for EVEN LESS THAN THE LOW PRICES IN VOGUE BEFORE THE TARIFF WENT UPall this in spite of the advance. Our Mr. Belden went after them-bought them at a rediculous figure and they are so good that if we had room for the n we could sell them in the brasks and Wesleyan teams on the unicourse of a few months at a profit of 100 per cent. But we have a't the room, nor the inclination to get rich all at once-so we place them all on sale tomorrow-all that we have room for-and we'll keep the piles filled up from day to day as the sale goes on. They are novel- before hand that this was not to be for the ties and mixed effects, both imported and domestic-and will be found at the regular dress goods counters and in the Basement store. Those Dreadful Sores

"For many years I have been a great sufferer with variouse veins on one of my limbs. My foot and limb became dreadfully swollen. When I stood up I could feel the blood rushing down the veins of this limb. One day I accidentally hit my foot against some object and a sore broke out which continued to spread and was exceedingly painful. I concluded I is needed a blood purifier and I began taking Hood's Sarsaparilla. In a short time those dreadful sores which had caused me so much suffering, began to heal. I kept on faithfully with Hood's Sarsaparills, and in a short time my limb was completely healed and the sores gave me no more pain. I cannot be too thankful for the wonderful work Hood's Sarsaparilla, has done for me." Mrs. A. E. Gilson, Hartland, Vermont.
